RE: Generic Docket Addressing Rural Universal Service
TRA Docket No. 00-00523

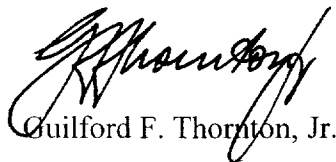

Dear Mr. Waddell:

On behalf of Citizens Telecommunications Company of Tennessee and Citizens Telecommunications Company of the Volunteer State (collectively, "Citizens"), this letter is in response to "Requests for Information - Rural ILECs" which were addressed to the parties by the prehearing officer, Director Melvin Malone, in this matter.

I am advised by my clients that Citizens has had no settlement arrangement with BellSouth for IntraLATA toll for at least the past several years. Accordingly, as the request for information concerns the elimination of toll settlement contracts, there is no data for Citizens to provide.

If you have any questions or wish to discuss this matter further, please do not hesitate to contact me.

Sincerely,

Guilford F. Thornton, Jr.
